

RESOLUTION NO. 1992 - 71

AUTHORIZING A LICENSE TO THE CITY OF CLEVELAND PERMITTING
THE PLACEMENT OF POLES AND WIRES ON AND ABOVE LANDS OWNED
BY GCRTA IN THE VICINITY OF SIDAWAY AVENUE.

BE IT RESOLVED by the Board of Trustees of the Greater Cleveland
Regional Transit Authority, Cuyahoga County, Ohio that:

1. A license be granted to the City of Cleveland, pursuant to authority under Revised Code section 306.51, to allow the placement, operation, and maintenance of electrical utility poles and wires on and above lands owned by the authority as depicted on a drawing prepared for Cleveland Public Power, dated 6-11-91, numbered SK-71, and entitled "13.8 kV Distribution Construction Aerial Crossing of RTA Property."

2. The General Manager be and he is hereby authorized to enter into and execute on behalf of the Authority a license agreement permitting the above described activities on terms reasonably necessary for the protection of the Authority.

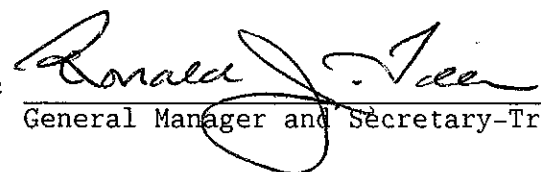

3. The fee in the amount of \$1,000 received in respect of said license be deposited into the general fund.

4. This resolution shall become effective immediately upon its adoption.

Adopted: May 19, 1992.

President

Attest: 

General Manager and Secretary-Treasurer
