- 1.0 **PURPOSE:** This action will allow the Authority to enter into a contract for software maintenance and support for the NetWare and GroupWise software programs.
- 2.0 **DESCRIPTION/JUSTIFICATION:** Novell NetWare software is required for the operation of the Authority's 13 Novell File and Print Servers and 995 Novell clients (PC's and printers). This allows computer users to store files on a central system for file sharing, data management, data backup, etc. It further allows users to share printers; thus multiple PC's can use a single printer. Novell GroupWise software provides for 992 GroupWise "mailboxes". These support e-mail messaging and scheduling services for all GCRTA computer uses.
- 3.0 **PROCUREMENT BACKGROUND:** This sole source contract is exempted from competitive bidding as authorized by Section 306.43H(3) of the Ohio Revised Code. The Procurement Department requested a proposal from Novell, Inc. The Information Systems Department reviewed the proposal for adherence to technical scope. Pricing received from Novell, Inc. did not increase from last year. This is a 50% discount off standard pricing. The Procurement Department has determined the price offered by Novell, Inc., after negotiations, to provide maintenance and support of the NetWare and GroupWise software programs to be fair and reasonable to the Authority.
- 4.0 **DBE/AFFIRMATIVE ACTION BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to a lack of subcontracting opportunities.
- 5.0 **POLICY IMPACT:** Does not apply
- 6.0 **ECONOMIC IMPACT:** This contract shall be funded through the General Fund, Information Department budget at a price of thirty six thousand two hundred sixty-eight and 00/100 dollars (\$36,268.00). This is the budgeted amount for this project, which is based upon pricing for the current year.
- 7.0 **ALTERNATIVES:** Rejection of this offer would risk not having maintenance and support of critical software programs used throughout the Authority.

- 8.0 RECOMMENDATION: It is recommended that the offer of Novell, Inc. be accepted and the resolution passed authorizing the General Manager to enter into a contract.
- 9.0 ATTACHMENTS: None.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
