1.0 **PURPOSE:** This action will allow the Authority to enter into a contract to obtain additional on-demand Paratransit service, as required, for a two year period. The service will be a combination of on-demand service and dedicated on-demand service (where the service provider dedicates vehicles to the Authority for a number of hours on a given day at a flat rate). Three service providers will be used.

2.0 **DESCRIPTION/JUSTIFICATION:** The Authority has a recurring need to provide Paratransit service to comply with the Americans with Disabilities Act (ADA) of 1990. Eligibility for Paratransit service is determined by the Authority in accordance with established FTA and ADA guidelines. The Authority is not able to meet demand with its current fleet of vehicles and contract services, necessitating that additional support be obtained for on-demand service.

3.0 **PROCUREMENT BACKGROUND:** The Authority established a pilot program for providing on-demand Paratransit service for ambulatory eligible patrons using a small purchase solicitation process. This pilot program proved successful and economical, and a formal request for proposals was issued. After evaluation by a panel of Authority employees in accordance with established Procurement Department policies and procedures, and after negotiations, the Authority selected three vendors from a competitive solicitation to carry on this service over a two year period. Ace Taxi Service proposed to provide both dedicated on-demand service as well as on-demand service, which included multiple pick-ups where practical. Their price for dedicated service is a flat \$19.75 per hour on days where utilization exceeds 6 hours, and \$23.75 per hour on days where they are utilized 3 to 6 hours. Their on-demand service is the meter rate of \$3.13 for the first mile and \$1.60 for each additional mile. Prices are in effect for the entire contract term. They were recommended as the primary service provider.

Ace Taxi Service is a full service transportation company licensed by the City of Cleveland. In addition to providing on-call taxi service to the general public, Ace Taxi Service provides contract transportation services to various specialty programs. They successfully performed transportation support for the Authority in the past.

A cost/price analysis has been performed and the Procurement Department has determined the price to be fair and reasonable to the Authority.

4.0 **DBE/AFFIRMATIVE ACTION BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE goal was established due to lack of subcontracting opportunities.

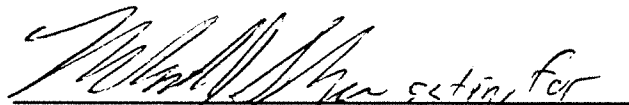

5.0 **POLICY IMPACT:** Does not apply.
