- 1.0 PURPOSE: This action will allow the Authority to enter into a contract for pavement repairs to the Drake/Howe Bus Loop.
- 2.0 DESCRIPTION/JUSTIFICATION: This project resulted from normal deterioration caused by vehicles that use the bus loop. The work involves removal of the existing asphalt material and replacing it with a new 9" coating. There will be minimal inconvenience to our customers and employees.
- 3.0 PROCUREMENT BACKGROUND: Sixteen prospective bidders purchased packages for this solicitation and seven bids were received on March 20, 2003 as shown on Attachment A. A price analysis was performed and the Procurement Department determined the \$53,750.00 bid of Velotta Paving Company, Inc., to be fair and reasonable to the Authority. Velotta has completed large and small projects for RTA. A recent project was the Green Road Station Parking Lot Paving. The project manager indicates their performance has been excellent.
- 4.0 AFFIRMATIVE ACTION/DBE BACKGROUND: All Affirmative Action requirements have been met. A 19% DBE goal was established for this procurement. Velotta Paving Co. has committed to achieve the goal through the utilization of the following DBE firm(s):
