STAFF SUMMARY AND COMMENTS

TITLE/DESCRIPTION: AUTHORIZING CONTRACT NO. 2003-028D WITH DOAN PYRAMID ELECTRIC FOR THE ELECTRICAL TRADES UNDER PROJECT 17C -TRISKETT GARAGE RECONSTRUCTION IN THE AMOUNT OF \$2,875,000.00 (RTA DEVELOPMENT FUND, PROJECT DEVELOPMENT AND ENGINEERING DEPARTMENT BUDGET)	Resolution No.: 2002-085

1.0 PURPOSE/SCOPE: This action will allow the Authority to enter into a contract to provide construction services for the Electrical Trades, under Project 17C -Triskett Garage Reconstruction, IFB 2003-028D.

2.0 DESCRIPTION/JUSTIFICATION: The project involves total demolition of the existing garage and the reconstruction of a new garage. The existing garage is in disrepair and is inefficient to operate. A study of various alternatives resulted in a decision to totally replace the facility. The new facility will have an increased capacity and allow a consolidation of bus operations in three districts.

3.0 PROCUREMENT BACKGROUND: This project is a rebid. The initial Invitation for Bid was cancelled.

Sixty eight packages were issued. Many of those were to subcontractors who would not bid directly to the Authority. Thirteen bids were received on April 25, 2003, as shown on Attachment A.

The Basis of Award provided for an award of the lowest responsive and responsible bid for the Entire Work provided that it is lower than the sum of the lowest responsive and responsible bid of the multiple trades. In this instance, the lowest Entire Work bid was \$209,000.00 higher than the sum of the lowest trade bids.

Doan Pyramid Electric has performed similar types of work for The Cleveland Clinic Foundation, Cleveland Hopkins International Airport, and Case Western Reserve University.

A price analysis was performed and the Procurement Department determined that the bid for the Electric Trades is fair and reasonable.

4.0 DBE/AFFIRMATIVE ACTION BACKGROUND: The results of the evaluation will be provided prior to contract award.

5.0 POLICY IMPACT: Does not apply.

6.0. ECONOMIC IMPACT: This contract shall be payable from the RTA Development Fund, Project Development and Engineering Department Budget, including but not limited to Capital Grant OH-90-X238, Line Item 11.44.02, in the amount of \$2,875,000.00, (\$2,300,000 in Federal funds which represents 80% of the total cost). The State of Ohio Department of Transportation will provide (local match) 20% of the eligible construction cost.

The Electrical Trades bid was submitted by Doan Pyramid Electric in the amount of \$2,875,000.00 is \$340,371.00 (8.7%) below the Engineer's Estimate of \$3,215,371.00. The sum of the lowest bids (\$24,040,075.00) is 7% below the overall Estimate of \$25,796,713.00.

7.0. ALTERNATIVES: Reject this bid. Rejection of this award would delay the reconstruction of the Triskett Garage and extend the temporary use of the Woodhill Garage by the Triskett District Operations. This impact would result in excess deadheading costs estimated to be over \$100,000.00 per month.

8.0. RECOMMENDATION: It is recommended that the bid of Doan Pyramid Electric for the Electric Trades be accepted and the resolution passed authorizing the General Manager to enter into a contract for Triskett Garage Reconstruction, as described under Project 17C.

9.0. ATTACHMENTS: Attachment A

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
