1.0 **PURPOSE/SCOPE:** This action will allow the Authority to enter into a three year contract with two (2) one-year options with Cleveland Clinic Health System/Center for Corporate Health to provide specimen collection services, as required.

2.0 **DESCRIPTION/JUSTIFICATION:** This action will allow the Authority to continue to screen applicants and employees, as required, and to meet Federal guidelines for drug and alcohol specimen collection. In order to provide the Authority with multiple screening locations, this portion of the procurement has been divided into three equal contracts.

3.0 **PROCUREMENT BACKGROUND:** Requests for Proposal were sent to six potential vendors. Four proposals were received on April 1, 2003 for this solicitation. After evaluation by a panel of Authority employees in accordance with established Procurement Policies and Procedures and negotiations, the proposal of Cleveland Clinic Health System/Center for Corporate Health was determined to be one of the three most advantageous to the Authority to provide specimen collection services. The not to exceed price of \$46,500.00 for the base three year period is based upon the anticipated usage of these services at the pre-determined, negotiated rates. The Cleveland Clinic/Center for Corporate Health represents Lutheran, Lakewood, Fairview, Marymount, Euclid and South Pointe Hospitals as well as Lakewood Urgent Care. Clients include Phillips Electronics, Gibraltar Strip Steel, Inc. and Northern Stamping Company, Inc.

A cost analysis was performed and the Procurement Department has determined the negotiated rates to be fair and reasonable to the Authority.

4.0 **DBE/AFFIRMATIVE ACTION BACKGROUND:**All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of subcontracting opportunities.

5.0 **POLICY IMPACT:** Does not apply.

6.0 **ECONOMIC IMPACT:** That said contract shall be payable from the RTA General Fund, Office of Business Development Department budget at a total amount not to exceed forty-six thousand five hundred and 00/100 dollars (\$46,500.00), as required, for the base three year period. This is the budgeted amount for this project and is based upon anticipated usage.
