- 1.0 PURPOSE/SCOPE: This action will allow the Authority to obtain software upgrades and technical maintenance and support on various Oracle products for a period of one year.
- 2.0 DESCRIPTION/JUSTIFICATION: GCRTA has been utilizing the Oracle Applications since 1995. Annual maintenance and support is required to maintain the Oracle Financials and Human Resource Management software programs. The Oracle application is a proprietary product designed and maintained exclusively by the Oracle Corporation.
- 3.0 PROCUREMENT BACKGROUND: This sole source contract for maintenance and support services is exempted from competitive bidding as authorized by Section 306.43H(3) of the Ohio Revised Code. After negotiations, Oracle Corporation offered to provide maintenance and support for the Oracle financials and human resource management software programs for a total price of \$279,395.22. This total price represents a discount from the rates listed in the State Cooperative Purchasing Agreement and are the same rates as charged last year. The increase in the total price from last year is due to additional applications the Authority has purchased and now require maintenance and support coverage.

 The Information Systems Department reviewed the proposal for adherence to technical scope. A price analysis was performed and the Procurement Department has determined the negotiated price to be fair and reasonable to the Authority.
- 4.0 AFFIRMATIVE ACTION/DBE BACKGROUND: All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of subcontracting opportunities.
- 5.0 POLICY IMPACT: Does not apply.
- 6.0 ECONOMIC IMPACT: This contract will be funded through the General Fund, Information Systems Department budget at a total price of two hundred seventy nine thousand three hundred ninety-five and 22/100 dollars (\$279.395.22) for a period of one year.
- 7.0 ALTERNATIVES: Reject this award. Rejection of this offer would leave the Oracle software programs without adequate maintenance and support.
- 8.0 RECOMMENDATION: It is recommended that the offer of Oracle Corporation, as negotiated be accepted and the resolution passed authorizing the General Manager to enter into a contract.

9.0 ATTACHMENTS: None.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
