- 1.0 PURPOSE/SCOPE: This action will amend the 2004 Appropriation Budget for the expenditures under the Insurance Fund.
- 2.0 DESCRIPTION/JUSTIFICATION: Insurance premiums are necessary to support Risk Management activities related to purchased insurance coverage. A Public Official's & Employment Practices Insurance is beneficial for the Authority. It has been determined that the Insurance Fund is the most appropriate place for this cost, which was previously included as part of the casualty insurance premium; therefore an amendment to the 2004 appropriation is required.
- 3.0 PROCUREMENT BACKGROUND: Does not apply
- 4.0 POLICY IMPACT: This action is consistent with the policy guidelines for use of the insurance funds.
- 5.0 ECONOMIC IMPACT: This resolution recognizes the increase in the estimate of expenditures out of the Insurance Fund from the current budget of \$1,264,918 to the new amended budget of \$1,352,918.
- 6.0 ALTERNATIVES: Not approve the action as proposed. The Board could direct that the costs associated with the insurance premiums be paid out of another fund. Or, the Board could direct that no action be taken which could have negative legal and financial consequences.
- 7.0 RECOMMENDATION: It is recommended that the Board adopt as proposed.
- 8.0 ATTACHMENTS: No Attachments.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
