TITLE/DESCRIPTION: AUTHORIZING THE PAYMENT OF DUES TO THE NORTHEAST OHIO AREAWIDE COORDINATING AGENCY (NOACA) FOR FISCAL YEAR 2005 IN THE AMOUNT OF \$49,500.00 (RTA CAPITAL FUND – EXECUTIVE DEPARTMENT BUDGET)	Resolution No.: 2005-7

- 1.0 **PURPOSE/SCOPE:** This action will approve the payment of FY 2005 (July 1, 2004- June 30, 2005) dues to the Northeast Ohio Areawide Coordinating Agency (NOACA) as a result of the Authority's gaining a seat on the NOACA Policy Board.

- 2.0 **DESCRIPTION/JUSTIFICATION:** NOACA functions as the regional planning agency for the five-county area including Cuyahoga, Lorain, Medina, Geauga and Lake Counties. In this capacity, NOACA is the Metropolitan Planning Organization (MPO) for the Cleveland SMSA under Federal transportation regulations. As the MPO for our region, NOACA conducts regional transportation activities and must approve our Transportation Improvement Program (TIP) and its listing of projects before Federal and State grants can be received. NOACA also serves as the OMB Circular A-95 review agency for our region and undertakes comprehensive environmental planning activities in both the air and water quality areas.

Federal surface transportation policy makes the Authority's seat on the NOACA Policy Board very important. Federal law provides the flexibility to use highway funds for transit projects in urban areas. The forum for making such decisions is the MPO for an urban area, in our case NOACA. Having a seat on the NOACA Board greatly enhances GCRTA's ability to obtain flexible funds for HOV lanes, park-n-ride lots, rail extensions and other transit projects.

Having a seat on the NOACA Policy Board will require that the Authority pay annual dues similar to other local governmental units. As indicated in Attachment A (letter from Howard Maier and Betty Blair of NOACA) these dues are used to help fund NOACA activities and match Federal and State grants. Each member county's dues bill is based upon NOACA's annual work program and expected grant revenues.

NOACA's total local dues amount is divided among the five counties according to county population size, using the 2000 census. Within each county, the Board of County Commissioners determines the dues requested from each community or other jurisdiction. As shown in Attachment B, GCRTA's FY 2005 NOACA dues amount to \$49,500.

- 3.0 **PROCUREMENT BACKGROUND:** Does not apply.

- 4.0 **DBE/AFFIRMATIVE ACTION BACKGROUND:** Does not apply

- 5.0 **POLICY IMPACT:** Active GCRTA participation on the NOACA Policy Board will give the Authority a forum for advocating local policies and practices that encourage greater transit usage. It will assist the Authority in the adoption and implementation of long-range transit plans and in

obtaining funding for same, particularly from non-traditional sources such as Federal and State highway funds.

- 6.0 **ECONOMIC IMPACT:** Payment of the Authority's FY 2005 dues to NOACA will be payable from the RTA Capital Fund, Executive Department Budget, in the amount of \$49,500.00.
- 7.0 **ALTERNATIVES:** Not authorize payment of NOACA dues. This would result in GCRTA losing its seat on the NOACA Policy Board and the advantages it affords.
- 8.0 **RECOMMENDATION:** It is recommended that the Board approve the payment of NOACA dues for FY 2005 in the amount of \$49,500 in calendar year 2005 for the Authority.
- 9.0 **ATTACHMENTS:**

A - Letter from Howard Maier, NOACA Executive Director, and Daniel Troy, dated July 1, 2004.

B- NOACA's invoice for FY 2005

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.

Dear Mr. Dixon:

Each year NOACA asks its members for annual financial support in the form of local dues. Members' dues are the financial foundation of this agency. The dues enable us to obtain matching grants offered both by the U.S. and Ohio Departments of Transportation as well as the U.S. and Ohio Environmental Protection Agencies. NOACA's planning work is essential in qualifying the region for federal highway and transit dollars, as well as helping the area achieve and maintain air and water quality standards.

Enclosed is a brochure explaining the nature and extent of the agency's work activities for the fiscal year beginning July 1, 2004. The Overall Work Program (OWP), Transportation Improvement Program (TIP) information, agency services, and other information about NOACA are also available on our website at www.noaca.org.

Timely payment of dues is important for the continuation of the agency's work. We are fully aware that some communities face very tight budgets in the current economy. If this is a problem for you please contact our Director of Finance, Cheryl Kurkowski, at 216-241-2414, Extension 210. Thank you for your support. Please call us (Howard at 216-241-2414, Extension 361 or Daniel at 440-350-2745) if you have questions, comments or would like to schedule an informational meeting.

Sincerely,

Daniel P. Troy
