- 1.0 PURPOSE/SCOPE: The purpose of entering into eminent domain proceedings is to provide a legal right to acquire and transfer needed property rights to construct the Euclid Corridor Transportation Project – Bid Package C-04.
- 2.0 DESCRIPTION/JUSTIFICATION: This property is vital for right-of-way needed for the third phase of construction of the Euclid Corridor Transportation Project. This site must be acquired for the purpose of making and repairing roads to better improve public transportation in Cleveland and the acquisition of right-of-way in conjunction therewith. Since agreement could not be reached with property owners after fair negotiating for a minimum of 45 days, eminent domain proceedings may be initiated. Construction is anticipated to commence in third quarter 2006.
- 3.0 PROCUREMENT BACKGROUND: Does Not Apply.
- 4.0 DBE/AFFIRMATIVE ACTION BACKGROUND: Does Not Apply.
- 5.0 POLICY IMPACT: This is consistent with GCRTA’s Real Estate Policy, which states that the Board of Trustees must approve all eminent domain proceedings. Initiating eminent domain proceedings after 45 days of fair negotiating is consistent with the ECTP Real Estate Acquisition Policy Manual (RAMP). A 30-day minimum is generally accepted under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. These thresholds were satisfied with the subject property owner.
- 6.0 ECONOMIC IMPACT: The purchase price is payable from the RTA Development Fund, Euclid Corridor Transportation Project Department Budget, including but not limited to Capital Grant OH-03-0247 line item 13.75.91 in the amount of \$187.50 and Capital Grant OH-90-X484-01 line item 13.75.91 in the amount of \$112.50 for a total amount of \$300.00 (\$240.00 in Federal funds which represent 80% of the total cost). Federal funds under Capital Grant OH-90-X484-01 are made available through the Ohio Department of Transportation. The amount authorized by the resolution is the appraised value of the properties. A Review Appraiser approved the Fair Market Value Estimate in the appraisal report.
- 7.0 ALTERNATIVES: There are no viable alternatives to purchasing this property because the right-of-way needs for the project require these acquisitions. Since the Authority could

not reach agreement with the owner, eminent domain proceedings must be initiated in order to move forward with the Euclid Corridor Transportation Project on schedule.

- 8.0 RECOMMENDATION: This property acquisition was reviewed by the Board of Trustees Planning and Development Committee at their April 4, 2006 meeting and recommended approval by the Board of Trustees. Further negotiations since April 4, 2006 have not been successful. Staff recommends that the Board of Trustees approve the resolution to authorize initiation of eminent domain proceedings.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
