Title/Description: AUTHORIZING CONTRACT NO. 2006-030 WITH W.W. WILLIAMS FOR THE FURNISHING OF DETROIT DIESEL ENGINE PARTS, AS SPECIFIED AND AS REQUIRED, FOR A PERIOD OF ONE (1) YEAR IN AN AMOUNT NOT TO EXCEED \$678,002.00 (GENERAL FUND, FLEET MANAGEMENT DEPARTMENT BUDGET).	Resolution No.: 2006-82

- 1.0 PURPOSE: This action will allow the Authority to enter into a contract for the furnishing of Detroit Diesel Engine Parts, as specified, on a requirement basis for a period of one (1) year.
- 2.0 DESCRIPTION/JUSTIFICATION: This contract is needed by the Authority to replace existing Detroit Diesel 50 Series Engine Parts in the 9400-9700 and NABI 2200-2500 LFS fleets that are inoperable and damaged due to accumulated mileage and performance. Detroit Diesel is the Original Equipment Manufacturer (OEM) and W.W. Williams is the exclusive dealer for Detroit Diesel engine parts in the Cleveland area.
- 3.0 PROCUREMENT BACKGROUND: The solicitation was posted on the Procurement Web Site and advertised in the local newspaper. One responsive and responsible bid was received on April 12, 2006. A survey of prospective bidders was conducted by the Procurement Department, which indicated other vendors were unable to bid competitively for the OEM engine parts. Price comparisons were made based on individual part prices for the same items sold to other transit agencies. The prices are listed on Attachment A-Bid Summary.

Ohio Revised Code Section 306.43(B) provides that in the case of a single bid being received, the Authority may negotiate the price bid with the vendor. Negotiations failed to achieve a price reduction from W.W. Williams. A price analysis has been performed and the Procurement Department has determined the price to be fair and reasonable to the Authority based on historic pricing.
- 4.0 AFFIRMATIVE ACTION/DBE BACKGROUND: All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of certified DBE firms.
- 5.0 POLICY IMPACT: Does not apply.
- 6.0 ECONOMIC IMPACT: This procurement shall be payable from the General Fund, Fleet Management Department budget in an amount not to exceed six hundred seventy-eight thousand two & 00/100 dollars (\$678,002.00). The bid is approximately 1.5% below the \$687,299.00 estimated cost for this procurement.
- 7.0 ALTERNATIVES: Reject this offer. Rejection of this offer would delay the replacement of Detroit Diesel engines parts that would cause disruptions of service due to inoperable coaches.

- 8.0 RECOMMENDATION: It is recommended that the offer of W.W. Williams be accepted and the resolution passed authorizing the General Manager/Secretary-Treasurer to enter into a contract.
- 9.0 ATTACHMENTS: Attachment A - Bid Summary.

Recommended and certified as appropriate
to the availability of funds, legal form
and conformance with the Procurement
requirements.
