- 1.0 PURPOSE/SCOPE: This action will allow the Authority to enter into a contract for the furnishing of motor coach filters, as specified, on a requirement basis for a period of one (1) year with an option for one (1) year.
- 2.0 DESCRIPTION/JUSTIFICATION: The Authority has an on going need to replace air, fuel, transmission, engine oil and cooling system filters as normal scheduled maintenance.
- 3.0 PROCUREMENT BACKGROUND: The solicitation was listed on the Procurement web site and advertised in several local newspapers. Eight (8) bids were opened on June 15, 2006. This is a divisible bid with eighteen (18) line items; therefore, an individual comparison for each line item was made.

The bid of Wise International has been determined by the Procurement Department to be the lowest responsive bid from a responsible bidder for five (5) line items indicated on Attachment A – Motor Coach Filter Bid Summary. The bid of Vehicle Maintenance Program is being recommended for award of four (4) items to the Board of Trustees under a separate resolution. The remaining nine (9) items will be awarded by small purchase contracts. A price analysis has been performed and the Procurement Department has determined the price to be fair and reasonable to the Authority.

- 4.0 AFFIRMATIVE ACTION/DBE BACKGROUND: All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of certified DBE firms.
- 5.0 POLICY IMPACT: Does not apply.
- 6.0 ECONOMIC IMPACT: This procurement will be funded through the General Fund, Fleet Management Department budget, in an amount not to exceed thirty-five thousand three hundred forty-six & 20/100 dollars (\$35,346.20) for the base year and an amount not to exceed thirty-five thousand three hundred forty-six & 20/100 dollars (\$35,346.20) for the option year, for a total contract amount not to exceed seventy thousand six hundred ninety-two & 40/100 dollars (\$70,692.40). The bid price is 3% below the budgeted amount for this procurement.

- 7.0 ALTERNATIVES: Reject all bids. Rejection of this award would delay the timely replacement of motor coach filters, which would cause the Authority's coaches to be unsafe and cause disruptions of service due to inoperable coaches.
- 8.0 RECOMMENDATION: It is recommended that the bid of Wise International Corporation be accepted and the resolution passed authorizing the General Manager/Secretary-Treasurer to enter into a contract.
- 9.0 ATTACHMENTS: Attachment A - Motor Coach Filter Bid Summary.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
