- 1.0 **PURPOSE/SCOPE:** This action will allow the Authority to renew a sole source contract for software and hardware maintenance and support of the Consolidated Train Dispatch System (CTDS) for a period of one year.
  
- 2.0 **DESCRIPTION/JUSTIFICATION:** The CTDS is a combination of hardware and software that are critical to efficient and effective operations of the Authority's rail system. It must be able to function without significant delays for any reason. This software and hardware maintenance and support agreement ensures timely resolution of system problems. ARINC, Inc. provides site inspections and telephone support to assist the Authority personnel.
  
- 3.0 **PROCUREMENT BACKGROUND:** This sole source contract for maintenance and support services is exempt from competitive bidding as authorized by Section 306.43H(3) of the Ohio Revised Code. ARINC, Inc. developed the CTDS on a proprietary basis and is the only source for maintenance and support services. The CTDS was procured in 1994 to control and monitor the rapid transit signal system from a single facility. This facilitates emergency single tracking operations and requires a minimum of service interruptions for maintenance. Equipment requiring maintenance is modified annually due to both obsolescence and system expansions. A revised maintenance structure developed by GCRTA employees, working with ARINC, Inc. over this past year will reduce the total negotiated cost of the new agreement by over 40%. The increased abilities of Authority personnel to troubleshoot and repair larger portions of the system is the key contributing factor to this reduction.  
  
 The Information Systems Department reviewed the offer for adherence to the technical scope. A price analysis was performed and the Procurement Department has determined the negotiated price to be fair and reasonable to the Authority.
  
- 4.0 **AFFIRMATIVE ACTION/DBE BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to lack of certified DBE firms.
  
- 5.0 **POLICY IMPACT:** Does not apply.

- 6.0 ECONOMIC IMPACT: This contract will be funded through the General Fund, Rail District Department budget at a total price of one hundred fifteen thousand five hundred ninety-two & 00/100 dollars (\$115,592.00) for a period of one year. This negotiated price is 41% below the amount paid in 2007 based upon the above mentioned factors.
- 7.0 ALTERNATIVES: Reject this offer. Rejection of this offer would jeopardize the functionality of critical systems for operations.
- 8.0 RECOMMENDATION: It is recommended that the offer of ARINC, Inc., as negotiated, be accepted and the resolution passed authorizing the General Manager/Secretary-Treasurer to enter into a contract.
- 9.0 ATTACHMENTS: None.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement Requirements.
