- 1.0 PURPOSE/SCOPE: This action will satisfy the requirement of State law regarding the designation of depositories every five years.
- 2.0 DESCRIPTION/JUSTIFICATION: Section 135.12 of the Ohio Revised Code requires the Board of Trustees to designate eligible depositories for the Authority's public monies that will be deposited during the period October 5, 2011 through October 4, 2016. Since the Authority has estimated that it will have no inactive deposits, only those depositories designated by the Board via this resolution will be able to compete for the Authority's interim monies or for the Authority's active deposits during the period from October 5, 2011 through October 4, 2016.
- 3.0 PROCUREMENT BACKGROUND: Pursuant to Section 135.08 and 135.10 of the Ohio Revised Code, eligible institutions located in the State of Ohio desiring to be a depository for the Authority's active and interim deposits made application in writing to the Authority specifying the maximum amount of such public monies which the applicant desires to receive during the period covered by the designation. The Authority mailed applications to eligible institutions and also advertised on the Authority's website and in two newspapers. There were seven institutions that responded and all seven made application for active or interim deposits of the Authority.
- 4.0 DBE/AFFIRMATIVE ACTION BACKGROUND: All Affirmative Action requirements have been met. Due to the nature of this service, a zero percent (0%) DBE goal was set.
- 5.0 POLICY IMPACT: It is the policy of the GCRTA to comply with Ohio Revised Code and designate depositories for active and interim funds every five years.
- 6.0 ECONOMIC IMPACT: Does not apply.
- 7.0 ALTERNATIVES: Pursuant to Ohio Revised Code 135.12, the Board is required to meet every five years in the month preceding the expiration of its designation of public depositories for the purpose of designating the public depositories of the public monies of the Authority. At such meeting, the Board shall designate such public depositories and award the public monies of the authority to and among the depositories so designated for a period of five years. An eligible depository can be deleted from this resolution, but additions cannot be made if the application was not received prior to the Board meeting.

8.0 RECOMMENDATION: It is recommended that this resolution be approved to comply with State law.
