- 1.0 **PURPOSE/SCOPE:** This action will allow the Authority to enter into a contract for Heavy Rail Vehicle (HRV) Interior Lighting.
- 2.0 **DESCRIPTION/JUSTIFICATION:** The interior work on the HRV Overhaul Project is being completed on forty-one rail cars. A total of 1,320 fluorescent light tubes will be replaced with new LED lighting.
- 3.0 **PROCUREMENT BACKGROUND:** The Invitation for Bid (IFB) was posted on the GCRTA Procurement website and advertised in the local newspaper. Seven (7) prospective bidders downloaded the solicitation package. One (1) responsive bid was received and opened on August 1, 2013 as follows:

Company Name	Unit Price	Total Bid
NABI Parts, LLC	\$142.55	\$188,166.00

Potential bidders were asked why they chose not to participate. One stated that their distributor failed to follow through with a bid. Others after reviewing the solicitation documents realized that this was not a retrofit project and they did not have the experience to be involved in the rail transit environment.

The bid price was discounted from the list price. Discussion with the single bidder failed to achieve an additional price reduction. A price analysis was performed and the Procurement Department has determined that the bid from NABI Parts, LLC is fair and reasonable to the Authority.

- 4.0 **AFFIRMATIVE ACTION/DBE BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of certified DBE firms.
- 5.0 **POLICY IMPACT:** Does not apply.
- 6.0 **ECONOMIC IMPACT:** This procurement shall be payable through the RTA Development Fund, Rail District Department budget, including but not limited to Capital Grant OH-05-0103, Line Item 12.15.21, in an amount not to exceed \$188,166.00 (\$150,532.80 in Federal funds which represents 80% of the total cost). The contract award is approximately 26% below the budget estimate for this project.
- 7.0 **ALTERNATIVES:** Reject the bid. Rejection of this offer would not allow for lighting replacement and completion of an important element of the HRV Overhaul.

- 8.0 RECOMMENDATION: It is recommended that the bid of NABI Parts, LLC be accepted and the resolution passed authorizing the General Manager/Secretary-Treasurer to enter into a contract.
- 9.0 ATTACHMENTS: None
