- 1.0 **PURPOSE/SCOPE:** This action will provide the Authority with insurance to protect the physical assets of the Authority for a period of twelve (12) months.
- 2.0 **DESCRIPTION/JUSTIFICATION:** The Authority requires all risk property insurance to protect its physical assets in case of fire, explosion, windstorm and similar perils. The current property insurance policy expires January 1, 2017.
- 3.0 **PROCUREMENT BACKGROUND:** This sole source contract for property insurance is exempt from competitive bidding as authorized by Section 306.43(H)(6) of the Ohio Revised Code. The current policy contains a blanket coverage limit of \$500 million per occurrence and a deductible of \$250,000.00 per occurrence, both with various sub limits and exceptions for specialty coverages.

FM Global is one of the premier property insurers in the world and the quality of their engineering services are unparalleled in the industry. They have provided invaluable services to GCRTA for many years, and both the Safety and Engineering departments rely heavily on their services in areas such as design review for all new construction and upgrades of our facilities, as well as regular fire protection inspections to be sure that all loss prevention systems are in working order.

Last year, we received a 3% decrease in our rate per \$100 of value and approximately 6% the prior year which were significant considering our loss experience (a fairly severe property loss with the lightning strike at the Brookpark substation which was settled for approximately \$5 million in 2012). This year, market indications are that the property insurance market is still fairly competitive for non-catastrophe prone accounts though industry sources indicate that this may be a peak in the relatively soft market. We were able to negotiate a 5% rate decrease with FM Global this year, and we also have experienced a fairly significant decrease in total insured values due to the disposal of obsolete/scrap railcars and buses. FM Global is also offering a premium credit to their insureds for the fourth year in a row due to positive financial results for the book of business worldwide. The combination of these factors has allowed us to achieve a \$53,413.00 decrease in our property premium. Our total insured property replacement values under the policy are currently \$1.33 billion.

After applying the premium credit and terrorism premium, the final net premium for the January 1, 2017 renewal is \$490,412.00 versus \$543,825.00 for the January 1, 2016 renewal, demonstrating a savings of \$53,413.00 or a 9.8% decrease. It is also 20% or \$122,670.00 under the budgeted amount of \$613,082; an extremely favorable result. Please note that both of these figures include substantial premium credits (approximately \$100,000.00) due to favorable loss results for FM Global, and this is not a guarantee for future years.

FM Global also has the highest possible financial security rating offered by Best's Insurance Rating service and have demonstrated reliable claims payment ability in the past which is clearly a key component in choosing an insurer.

We thank our long term partner, FM Global, for recognizing our commitment to risk improvement and working together to address issues over the course of each year.

The Risk Management Department recommends that the Authority accept the final proposal of FM Global to provide GCRTA's all-risk property insurance policy for the period January 1, 2017 to January 1, 2018. The Procurement Department has determined the negotiated rates to be fair and reasonable to the Authority.

- 4.0 AFFIRMATIVE ACTION/DBE BACKGROUND: All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of subcontracting opportunities.
- 5.0 POLICY IMPACT: Does not apply.
- 6.0 ECONOMIC IMPACT: This insurance policy shall be funded through the General Fund, Risk Management Department budget, payable with 2017 funds (contingent upon Board Approval of the 2017 Operating Budget) at a total contract amount not to exceed \$490,412.00 for the twelve (12) month period beginning January 1, 2017.
- 7.0 ALTERNATIVES: Reject this offer. Rejection of this proposal will leave the Authority without property insurance, putting substantial assets of the Authority at risk.
- 8.0 RECOMMENDATION: It is recommended that the offer of FM Global be accepted and the resolution passed authorizing the CEO, General Manager/Secretary-Treasurer to purchase the property insurance policy.
- 9.0 ATTACHMENTS: None.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
