

RESOLUTION NO. 2019-42

AMENDING SECTION 840.03 "FARES" OF THE CODIFIED RULES AND REGULATIONS OF THE GREATER CLEVELAND REGIONAL TRANSIT AUTHORITY TO DELAY IMPLEMENTATION OF THE AUGUST 2019 FARE INCREASE

WHEREAS, the Board of Trustees has statutory authority to establish the fares charged by the Greater Cleveland Regional Transit Authority ("Authority"); and

WHEREAS, the Authority determined the need to increase fares in 2016 to address a budget shortfall and significant reductions in state funding and held public hearings on that subject in accordance with Chapter 214 of the Codified Rules and Regulations of the Authority ("Code"); and

WHEREAS, on June 7, 2016, the Board of Trustees adopted Resolution No. 2016-036 which, to lessen the impact on the public, implemented a fare increase in two stages; one increase in August 2016 and another increase to be effective in August 2018; and

WHEREAS, after the fare increase was adopted, the Authority learned that fare increases have a greater impact on ridership than previous data indicated and decided to evaluate the potential impact of the August 2018 fare increase on its ridership; and

WHEREAS, Chapter 214 of the Code does not require the Authority to hold public hearings when it delays the implementation of a fare increase; and

WHEREAS, on March 27, 2018, the Board of Trustees adopted Resolution No. 2018-033, which delayed the implementation of the August 2018 fare increase until August 2019; and

WHEREAS, the Authority has undertaken a number of pillar studies, including a fare equity study, a system redesign study and an economic impact study, all of which will assist in determining the impact of the 2018 fare increase, previously delayed to 2019, on its ridership and which may not all be completed prior to August 2019; and

- 1.0 **PURPOSE/SCOPE:** This resolution will amend Section 840.03 of the Codified Rules and Regulations ("Code") of the Greater Cleveland Regional Transit Authority.
- 2.0 **DESCRIPTION/JUSTIFICATION:** In 2016, as a result of a budget shortfall and significant reductions in state funding, the Authority staff reviewed the fare structure for transit services and recommended modifications to the fares to be charged by the Greater Cleveland Regional Transit Authority. The recommended modifications were developed after conducting fifteen public hearings/public comment periods on the fare increase and service modifications.

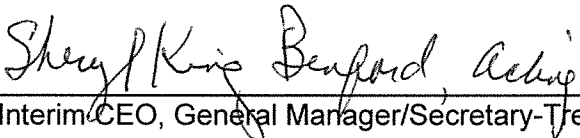

To lessen the impact of a fare increase on the public, in Resolution No. 2016-036, the Board of Trustees implemented a fare increase in two stages; one increase in August 2016 and another increase to be effective in August 2018. After the fare increase was adopted, the Authority learned that fare increases have a greater impact on ridership than previous data indicated and decided to evaluate the potential impact of the August 2018 fare increase on its ridership.

On March 27, 2018, the Board of Trustees adopted Resolution No. 2018-033, which delayed the implementation of the August 2018 fare increase until August 2019. The Authority has undertaken a number of pillar studies, including a fare equity study, a system redesign study and an economic impact study, all of which will assist in determining the impact of the 2018 fare increase on its ridership and which may not all be completed prior to August 2019. The Authority desires to delay the fare increase another year to allow for full consideration of the results of these studies.

- 3.0 **PROCUREMENT BACKGROUND:** Does not apply.
- 4.0 **AFFIRMATIVE ACTION/DBE BACKGROUND:** Does not apply.
- 5.0 **POLICY IMPACT:** Adoption of the resolution will provide the Authority with an opportunity to evaluate the impact of the August 2018 fare increase on ridership and investigate alternative revenue sources to address the significant reductions in state funding.
- 6.0 **ECONOMIC IMPACT:** Does not apply.
- 7.0 **ALTERNATIVES:** Not adopting this resolution. Not adopting this resolution would result in the August 2018 fare increase going into effect as enacted in Resolution No. 2016-036 and amended in Resolution No. 2018-033.

- 8.0 RECOMMENDATION: This amendment was discussed by the Board of Trustees Board Governance Committee at the April 16, 2019 meeting. Staff recommends that this resolution be adopted.
- 9.0 ATTACHMENTS: None.
