- 1.0 **PURPOSE/SCOPE:** This action will allow the Authority to renew a sole source contract for annual software maintenance and support on various Oracle applications for a period of one year.
- 2.0 **DESCRIPTION/JUSTIFICATION:** The Authority has been utilizing Oracle technology and applications since 1995. Annual maintenance and support is required to maintain the Oracle Enterprise Business Suite – Financials, Procurement, and HR/Payroll applications, as well as GCRTA applications that interface with Oracle database technology and applications. These include HASTUS, Ultramain, Kronos, Riskmaster and various Trapeze products. Oracle database technology and applications are proprietary products designed exclusively by the Oracle Corporation.
- 3.0 **PROCUREMENT BACKGROUND:** This contract for maintenance and support services is exempted from competitive bidding under Section 306.43(H)(3) of the Ohio Revised Code. Oracle Corporation developed the Enterprise Business Suite on a proprietary basis and is the only source authorized to maintain the system. After negotiations, Oracle Corporation offered to provide maintenance and support for the various Oracle software products for a negotiated amount not to exceed \$550,586.35 for a one year period. The Information Technology Department reviewed the offer for adherence to technical scope.

A price analysis has been performed and the Procurement Department has determined that the price is fair and reasonable to the Authority.
- 4.0 **AFFIRMATIVE ACTION/DBE BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE participation goal was established for this procurement because it is for the maintenance of proprietary software, and by agreement such work is exclusive to the original software provider and installer.
- 5.0 **POLICY IMPACT:** Does not apply.
- 6.0 **ECONOMIC IMPACT:** The contract will be funded through the General Fund, Information Technology Department budget, in an amount not to exceed \$550,586.35 for a period of one year. This is the budgeted amount for this renewal.

- 7.0 ALTERNATIVES: Reject this offer. Rejection of this offer would leave the Oracle software applications without adequate maintenance and support and jeopardize the functionality of critical Financial, Procurement and HR/Payroll systems vital to the organization.
- 8.0 RECOMMENDATION: It is recommended that the offer of Oracle Corporation be accepted and the resolution passed authorizing the General Manager, Chief Executive Officer to enter into a contract.
- 9.0 ATTACHMENTS: None.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
