- 1.0 PURPOSE/SCOPE: This action will allow the Authority to renew a sole source agreement for the annual software maintenance, licenses and support of various Oracle applications for a period of one year.
- 2.0 DESCRIPTION/JUSTIFICATION: The Authority has been utilizing Oracle technology and applications since 1995. Annual maintenance, licenses and support are required to maintain the Oracle Enterprise Business Suite – Financials, Procurement, and HR/Payroll applications, as well as GCRTA applications that interface with Oracle database technology. These applications include HASTUS, Ultramain, Kronos, Riskmaster and various Trapeze products. Oracle database technology and applications are proprietary products designed exclusively by Oracle America, Inc.
- 3.0 PROCUREMENT BACKGROUND: This contract for maintenance, licenses and support services is exempt from competitive bidding as authorized under Section 306.43(H)(3) of the Ohio Revised Code. Oracle America, Inc. developed the Enterprise Business Suite on a proprietary basis and is the only source authorized to maintain the system. After negotiations, Oracle America, Inc. offered to provide maintenance, licenses and support for the various Oracle software products for a negotiated amount not to exceed \$404,116.34 for a one-year period. The Innovation and Technology Department reviewed the offer for adherence to technical scope.

A price analysis has been performed and the Procurement Department has determined that the negotiated price is fair and reasonable to the Authority.
- 4.0 AFFIRMATIVE ACTION/DBE BACKGROUND: All Affirmative Action requirements have been met. A 0% DBE participation goal was established for this procurement because it is for the maintenance of proprietary software, which work is limited and exclusive to the original provider and installer by agreement.

- 6.0 ECONOMIC IMPACT: This contract shall be payable from the General Fund, Innovation & Technology Department budget, in an amount not to exceed \$404,116.34 for a period of one year.

- 8.0 RECOMMENDATION: It is recommended that the offer of Oracle America, Inc. be accepted and the resolution passed authorizing the General Manager, Chief Executive Officer to enter into a contract.
- 9.0 ATTACHMENTS: None.
