- 3.0 PROCUREMENT BACKGROUND: Pursuant to Ohio Revised Code Section 306.43(L)(6), competitive procedures are not required to transfer material or equipment to a nonprofit entity having the general welfare or education of the public as one of its principal objects. Furthermore, Ohio Revised Code Section 306.43(L)(4) states that a regional transit authority may dispose of property, without competitive procedures, to a department of the federal or state government, a political subdivision of the state, or to any other governmental entity. This transaction is exempt from competitive procedures under both subsections (L)(4) and (L)(6) of Ohio Revised Code Section 306.43, as Tri-C is both a political subdivision of the State of Ohio and an institution of higher education of the public.
- 4.0 DBE/AFFIRMATIVE ACTION BACKGROUND: Does not apply.
- 5.0 POLICY IMPACT: This disposal is consistent with the Authority's Disposition of Property policy in Chapter 410 of the Codified Rules & Regulations of the Greater Cleveland Regional Transit Authority.
- 6.0 ECONOMIC IMPACT: The five vehicles will be donated to Tri-C. No money will be generated from this action, nor will there be an expenditure of Authority funds. Tri-C will pay all costs incurred with this transaction.
- 7.0 ALTERNATIVES: Reject this offer. The Authority will then have to dispose of the vehicles by an alternative method such as sealed bids or through auction.

- 8.0 RECOMMENDATION: It is recommended that the Board of Trustees adopt the resolution authorizing the donation of non-revenue vehicle numbers 24601, 33401, 25401, 28408, and 28407 to Tri-C.
